MR. THOMAS E. CAMPBELL

The tides of the sea may rise . . . the tides of the sea may fall . . . but Mr. Campbell will always remain the steadfast beacon which guides the storm-tossed vessels of our high school days to a safe anchorage. He is our guiding light, not only during our years at Gables, but all through college, when we know there is a kindred soul to whom we can confide our troubles, scholastic and otherwise.

Mr. Thomas E. Campbell — more affectionately known as "Scotty" — teaches first and second year classes in French. To him, his work is his art, and his interest in and love of teaching French instills in his students the same intense interest in French, France, and the French culture that he himself supports. We doubt if anyone that takes French does not have an interest in the French Club, of which Mr. Campbell is the sponsor, the soul and the life.

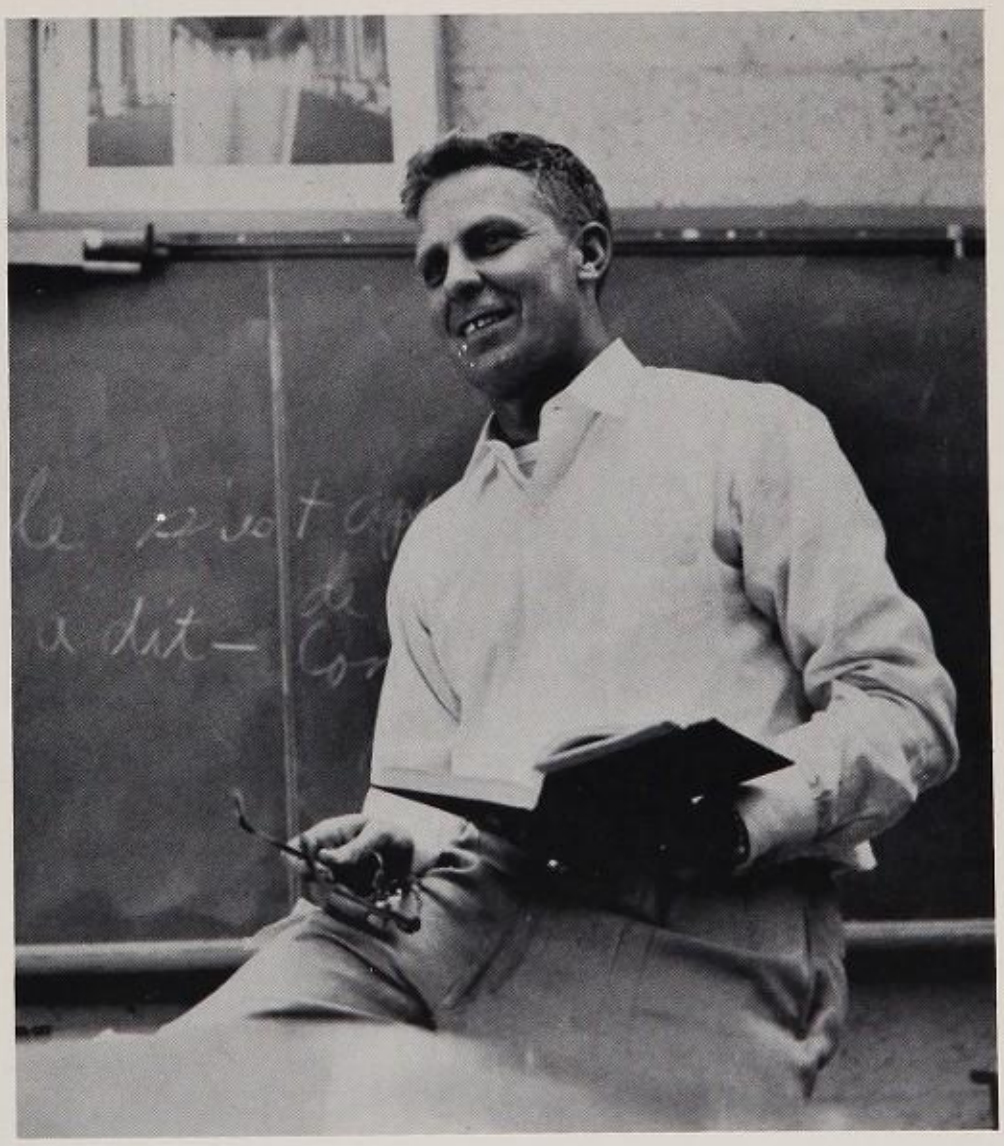
MR. THOMAS E. CAMPBELL

To his students, he is the life-raft to which they may cling when in danger of being swept away on a bewildering wave of rising extracurricular activity and falling grades; the rock which serves as refuge from unkind words of thoughtless classmates; a friend in need, who understands when the frightening storms of growing up threaten to engulf us. Mr. Campbell is a father, brother, teacher, friend, and confidante. He can—and frequently does—tease us to the point of desperation, but when we need it most, his sympathy is quick and sincere and comforting.

When we graduate, we know that we will be back often to visit Mr. Campbell's classes, if only to hear once again the familiar, "Come on, you clowns! Get on the ball!" Perhaps he will whisper to us—just loud enough for the laughing class' ears—"What a bunch of morons! C'est formidable!" with a very French shrug.

Because he teases us and we love it; because he makes us really learn in spite of ourselves; because of his ready wit and ready sympathy, and because we love and admire a wonderful person, WE ARE PROUD AND HAPPY TO DEDICATE CAVALEON 1955 to GABLES' OWN MR. THOMAS E. CAMPBELL.

A familiar sight to all at Gables is "Scotty" as he walks to class with that free and easy stride.



In the classroom, Mr. Campbell is a demanding but entertaining teacher.

HARRY N. RATH—*Principal*

Years gently glide by . . . time swiftly sails on . . . our school grows in size and prestige . . . all this under the capable leadership of our Principal, Mr. Harry N. Rath.

Mr. Rath is a leader whom we all love and admire for his undying faith in the students of Coral Gables Senior High School. He has led our school to what it is . . . "The School of Distinction" . . . by correcting us when we are wrong . . . defending us . . . and praising us . . . Yes, Mr Rath is truly a leader to merit a wave of applause from the student body.

CHRISTINE YOUNG—*Dean of Girls*

Our indispensable Dean of Girls is Miss Christine Young. A great deal of work goes into the job of counseling the girls of Coral Gables, but she is always willing to render service to additional projects that concern Gables High.

The man always behind the boys of Coral Gables High . . . not pulling, but always pushing them on to greater heights in scholastic and extracurricular activities, is Mr. Edward Cook, our Dean of Boys.

Mr. Cook has a job that few people would envy—but, as he handles everything else, he manages this in a capable, efficient manner.

Discussing plans for the year are: Mrs. Harriette Prance, Miss Mary Cecile Ions (department head), Mrs. Hattie Struthers, Mrs. Phyllis Miller, and Mrs. Mildred Reynolds.

The many honors won by Gables students in this field are proof of the success of the department in developing effective readers, writers, and speakers.

# *We are kept "in the swim" over Math*

The MATHEMATICS DEPARTMENT offers courses in basic math for those students who need a foundation and preparation for college. For those who want to wade deeper into mathematics, the advanced courses are offered.

# *Never-ending tide of events marches on*

## *social studies*

The SOCIAL STUDIES DEPARTMENT stresses international problems so the students may get a general understanding of people everywhere — at home and across the seas. World situations are discussed without prejudice.

Planning the schedule for history classes are: Mrs. Herberta Leonardy, Miss Ethelyn Massey, Mr. C. H. Drepperd, Mrs. Ruth Johnston (department head), and Miss Katherine Davis.

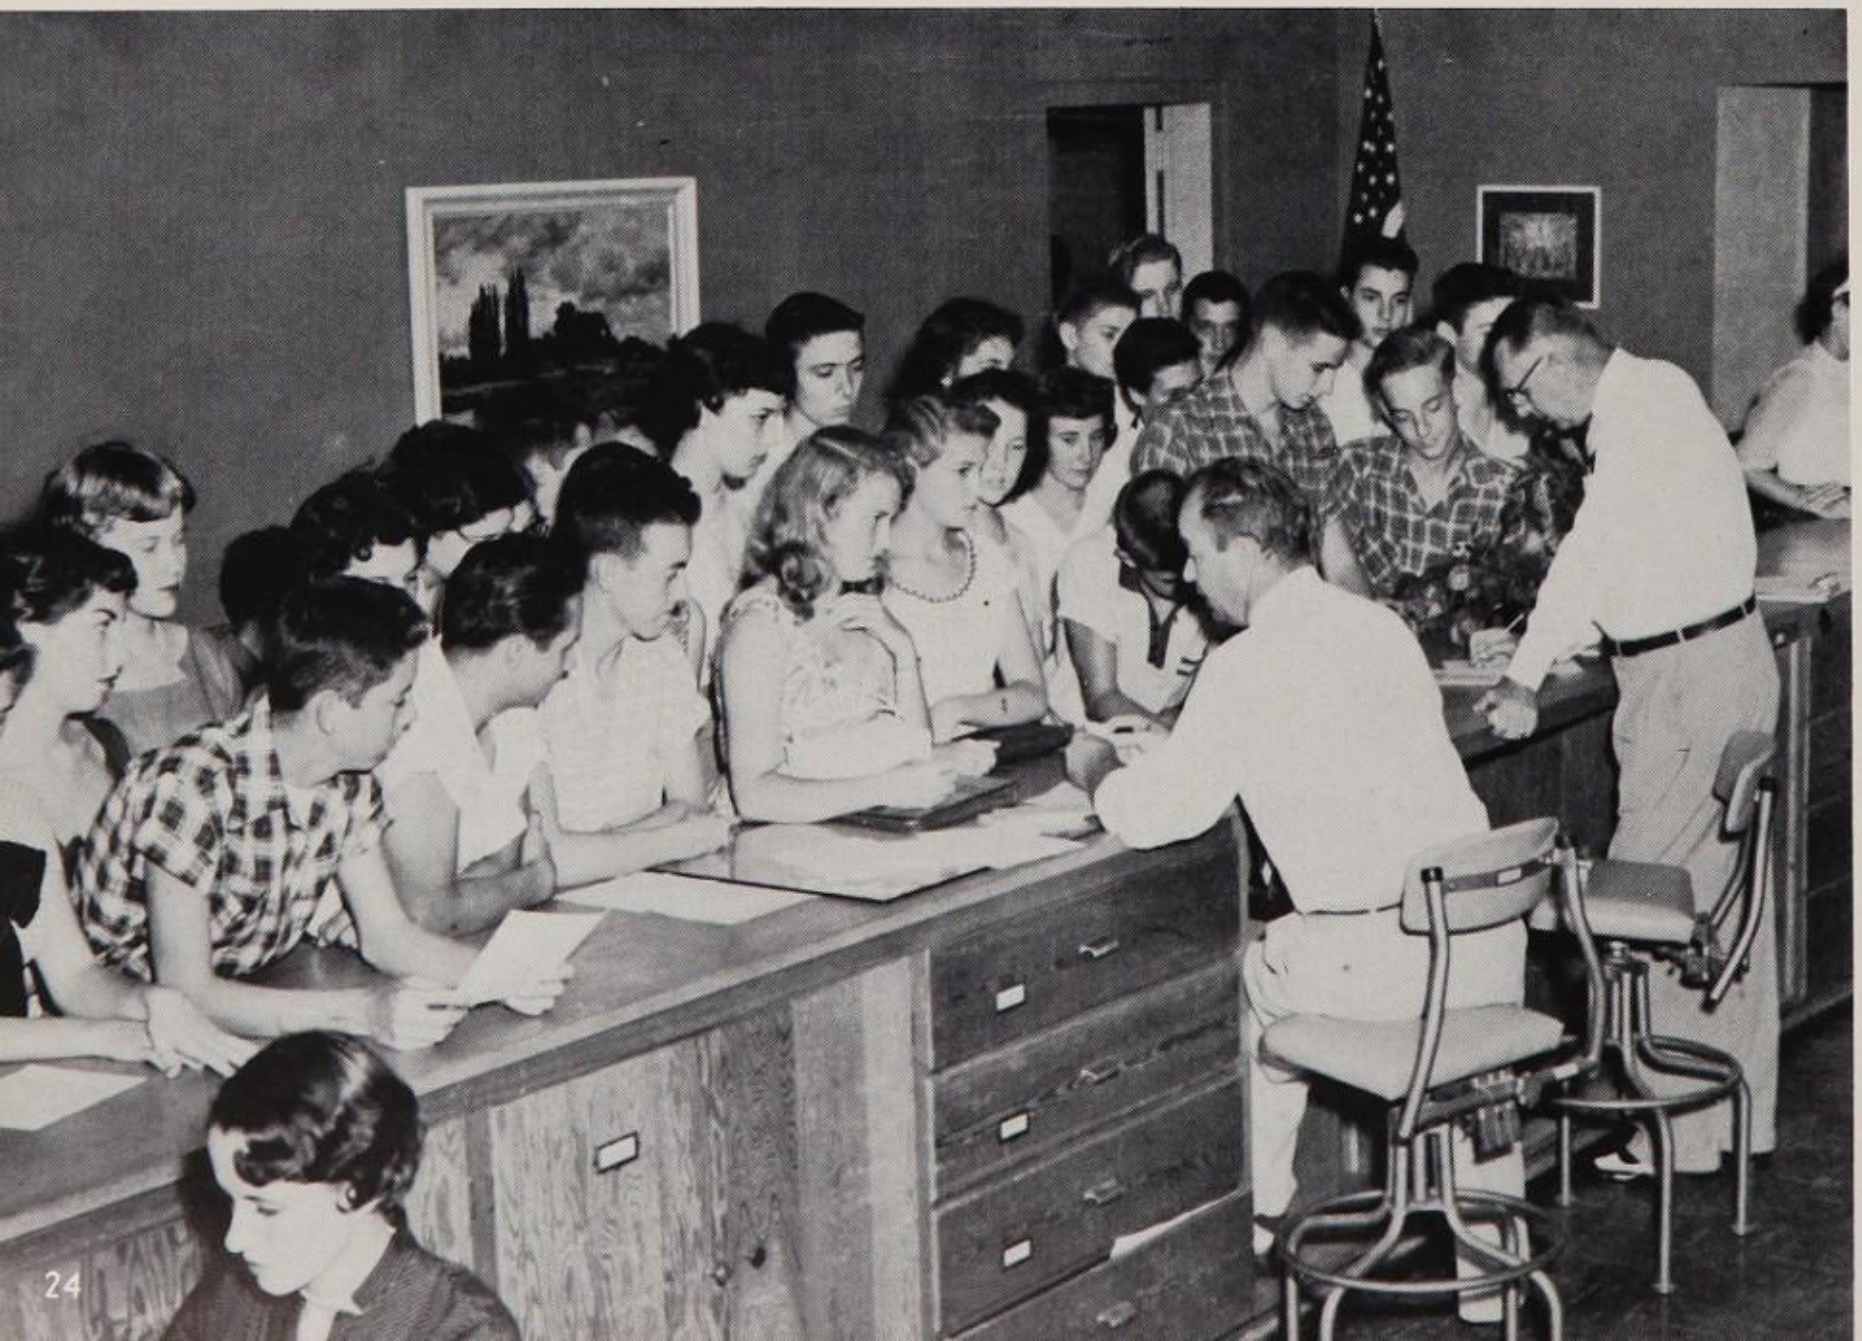
# *Autumn—and with hopeful hearts*

The first day of school is an exciting event for new and old students alike. Here some Gableites compare new schedules.

The ocean breezes blow the whitecaps hard against the shore . . . light, sky-blue water takes on a deeper tone . . . the long summer is ended.

With light hearts we return for the school year . . . some to our first at Gables High . . . others to our last . . . some with a feeling of awed respect . . . others with a wistful longing. New faces . . . new classes . . . old friends . . . familiar places . . . long lunch lines . . . long walks around our campus in the warm September sun . . . and over all the sense of unity and harmony that prevails on our beautiful campus.

Everywhere on our campus—long lines. Registration day saw our office filled with new sophomores, and of course, a few equally confused returning students.



# ...e greet another school year . . .

Schedules are learned and relearned . . . the air is filled with music as Choral tryouts are held . . . here and there a bewildered sophomore wanders aimlessly around the long halls waiting for a kind hearted upperclassman to take him under his wing . . . finishing touches are put on our auditorium . . . and out of all this chaos evolves an organized, smoothly working student body and faculty that will work together in the many months to come to make Coral Gables High a school of distinction.

For the first few weeks of school the most familiar sound on campus was the rat-ta-tat-tat of drills, as our school received its first face-lifting job in five years.

The Student-Activity room was the scene of much chaos as campus organizations prepared their calendars for another busy school year.

# A great grid season put "high

Homecoming Queen and court were presented at the Homecoming dance sponsored by Trilon Civic Club. Queen Donia Clarke is crowned by Karl Smiley while Bobbie Jean Tyler, JoAnne Brown, and Sondra Welch look on.

Torrential rain couldn't dampen the spirits of these Gableites as they cheered the Cavaliers on to Victory.

We won! A familiar sight after grid contests in the Orange Bowl.

# *tide" mark on Cavalier record . . .*

The motorcade before the Jackson game was a howling success. Two hundred cars formed the group which paraded from our school to the Orange Bowl.

Dark clouds gather on the horizon . . . strong, sea-born winds drive the gulls far inland . . . Autumn—and the long-awaited football season is here. Pigskins sail through the crisp fall air . . . the long, hard hours spent on the practice field begin paying off for the Cavaliers as they launch into their most successful grid season . . . snappy cheerleaders . . . gigantic pep assemblies . . . and a huge motorcade and victory sock hop helped to make this football year one to be long remembered by all Gableites.

If our team was outstanding, no less outstanding was our student body, which gave such great support to our athletic teams. As a result, we are the proud recipients of the Civic Club Sportsmanship Trophy. Long after the cold statistics of this season are a matter of record, no senior will have forgotten that strangely wonderful but sad feeling that came as, after the final victory, the entire Orange Bowl stood silent as the Band of Distinction played the Alma Mater.

A tense moment on the sidelines as Coach Nick Kotys instructs his backs.

"Each issue must be better than the last . . . and different." So goes the motto of our hard plugging High Lights staff. Day by day they work to meet their deadlines, complaining as they go, but growing more fond by the minute of the smell of printers ink, the challenge of the deadline, and the ever present opportunity for freedom of the press.

Our editors, Jeanne Teslof, first semester, and Nancy Adams, second semester, are guiding hands which prod the paper into shape. Sports editors Pat Duhaime and Willy Ruiz cover everything from football to chess. Variety is also present in our club pages which Joann Woltz and Jim Morris head. First semester found Nancy Adams at the feature editor post but for the latter part of the year Annette Alexander and Jeanne Teslof took over. Harry Lathrop and Ann Jensen manage the business end of our paper and the whole staff is advised and guided by Chris Steers, the faculty sponsor.

Ray Hymes dives over for the extra point against Jackson.

The 1954 season opener saw Gables fighting for ground against Edison through mud and rain for the only loss of the season. But two weeks later the hard-fighting Cavaliers were once again battling another city foe, Miami High. Our team almost brought home an upset until the outplayed Stingarees managed to score on a pass late in the last period and tied up the score at 14-14.

Another high point of the season came when Gables made a last minute drive to defeat the Jackson Generals, 7-0.

This year's season was what could really be called dynamic. Our powerful squad tied Miami High, beat Jackson for two years straight, and, winding up the season with an 8-1-1 record, placed third in the state and second in the Big 10.

Eleven determined Cavalier gridders rushed to the Orange Bowl attempting to revenge their defeat of the previous year by a rugged Miami High Stingaree squad. Minutes after the starting whistle, Gables' Ray Hymes connected with a pass to Bob Ross, who carried the oval for the TD, giving Ken West the opportunity to score the extra point. Once again Ross was the playmaker as a few minutes later he toted for the second Gables tally after having driven deep in Stingaree territory from the Cavalier thirty-seven yard marker. The score stood 14-7 in favor of the Gableites as the siren for the half was heard. Later in the third quarter a Gables fumble on Miami High's two yard line allowed the Stings to take possession and go all the way for the equalizing score. Coach Koty's comment, "The most one-sided tie I ever saw."

This year the cheerleaders have done a fabulous job of supporting school spirit and encouraging our teams whether in victory or defeat. They are, front row: Joanne Woltz, Captain Sondra Welch, Linda Rollins. Hymes wasted no time in starting the Lakeland game as he made a 72-yard run for the first score. After a 30-yard pass from Thompson to Newell, Gables pushed over for the second tally. Hymes found Downing clear and passed to set up a third touchdown. West then intercepted a pass and made the final tally, ending 26-8. Captains: Cole, Thompson.

A long pass to Thompson brought the Cavs back in the Mainland game to overcome a 7-0 deficit in the first quarter, but the watchful Buccaneers intercepted a pass to lead at the half. In the second half Gables went for three consecutive touchdowns, the first by John Towle, followed by another by Hymes, and the last score was made by Thompson. Captains: Sam Adams, Ray Hymes.

An avenging Gables eleven faced Hillsborough November 4. Both teams were held scoreless in the first half, but action started in the third period when Ross threw a pass to Downing, who scored. Towle, Brockway, and Ross climaxed the drive for the final Gables TD, made by Ray Hymes. The Terriors then scored, making the final score 13-6. Game Captains: Jim Thompson, John Sparkman.

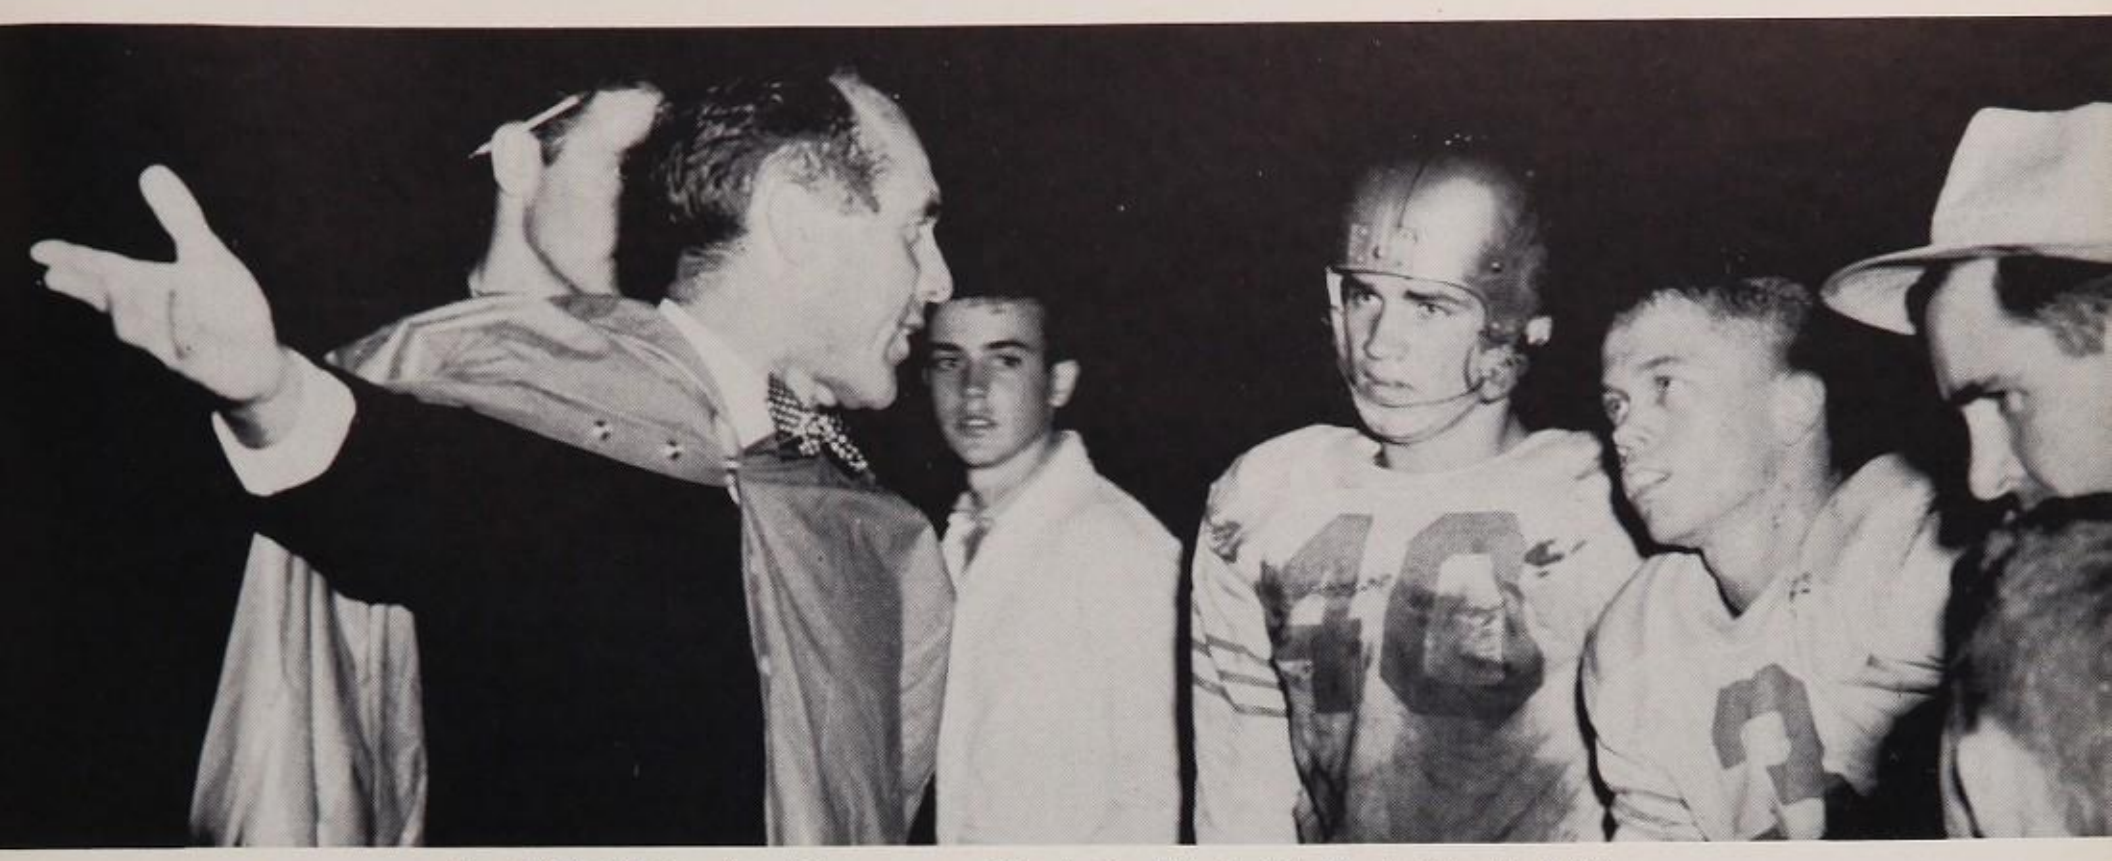
# meet the onrushing opponents



Coach Nick Kotys gives Thompson and Towle the Word while Coach Injaychock listens.

Merciless rain and a slippery field kept both teams from advancing the pigskin, making the first two quarters a knock-down-drag-out affair between Jackson and Gables. A tackle by John Cole deep in Cavalier domain awarded Gables the ball, thus beginning the Crimson and Gray drive that was to culminate in the decisive score. Jim Thompson fought for five yards, then in succession backs John Towle, Ray Hymes, Bob Ross and Ken West pounded their way towards pay dirt. Towle ran off tackle to the Generals one yard marker. With only one minute left in the encounter, West plunged on a quarterback sneak for the lone tally and Ray Hymes carried the mail for the extra point, ending the Jackson voodoo on Gables by 7-0.

The familiar call of the umpire rings in our ears,"Play Ball." The pitcher is on the mound, gets his signal from the catcher. There's the windup, the pitch, a called strike, and the 1955 baseball season is underway for the Gables Cavaliers.

Looking into the bullpen, we recognize eight returning lettermen, along with some new faces who are the hopefuls of this year. Tom Atwood, with a good record behind him, shouldered most of the pitching chores. Behind the plate handling the catching duties we find up-and-coming Charlie Cook.

A great deal of the load of the '55 track team rested on the shoulders of the five lettermen, Ken Ball, Jerry Christman, Tom Chivers, John Griffiths, and Dave Hays. Ernie Knighton was a standout in the pole vault. Veterans Chivers and Hays excelled in the hurdles. The mile was handled by John Cole and Charles Harvey, and Jerry Christman took care of the half mile. The speedy feet of John Griffiths and Ken Ball helped the squad in the 220.

## TENNIS TEAM LEADS STATE

Coral Gables High School is famous in tennis circles for producing winners. The boys' team was led by two capable juniors, John "Ish" Skogstad and Bob Macy, who are both ranked high in the state and nationally. Bob was captain for this season, and, like John, has been playing since his freshman year. The two boys team up to comprise an almost unbeatable number one doubles team.

Jeff Soboda and Hal White, seniors, and Lane Overstreet, junior, aided in the teams many wins, as did John Towle, a football star who turned his talents to the courts. Four new sophomore players were added to the growing list of aspirants: Felix Karabasz, Louis Boone, Brian Gaine, and Willis Bishop

The girls' team also had a very successful year, defeating such formidable rivals as Edison, Jackson, Fort Lauderdale, and South Broward. Barbara Mitchell, in her third year as captain, held the number one position, with Jeanne Teslof a close second. Annette Crofton, a junior who is playing for the second year, played number three.

There were many welcome new additions to the girls' team this year. Senior Lucy Arce; Juniors Sue Hale and Margie Airth; and Sophomores Janet Dillard, Janet Smith and Robin McGlohn.

The tennis team could be seen every day, practicing hard at Salvador Park under the able coaching of Jim Corcoran, who helped them and rooted them on to victory.

# A star-studded swim team splashed

Coach William Burrell, our head swimming mentor, has developed our Cavalier squad to the greatest team in Gables history. Here he is demonstrating the crawl to Linda Buggeln.

## TANKERS COMPLETE SUPERB SEASON

Returning to the "Golden Team" practice pool were veterans Gordon Musselman, Steve Blesch, Dick Hardie, Rusty Woods, Don Jobson, Tracy Tumblin, Dave Whitfield, Scott Piper, Gary Rankin, Walter Getsee, and Fred Wendelken.

Coach William Burrell's aspirations were fulfilled as Peter Linkrum, Doug Waldon, Al Snyder, and Cliff Root accumulated vital points in various meets. Jay Madala and Mike Rosenberg did some fancy diving, earning for themselves a wide reputation.

The ever-important "femme" side of the team proved their might once again as they practically swamped their opponents. Highlighting the girls' lineup were Rosemary Morris, Gail Dioguardi, Charleen Griffen and Linda Buggeln, together with Diana Stager, Gerry Merkovitch, Mimi Johnston, Lorraine Keenan, Gerry Peters, Alison McPherson and Carol Hansen.

This season's record-breaking squad, under Mr. Burrell's coaching, managed to swim their way to national fame.

Our SWIMMERS are, front row: Rosenberg, Jobson, Snyder, Musselman, Getsee, Whitfield, Blesch, Waldon, Tumlin, Rankin, Mann, Frary, Root, Madala, Hardie, Linkroum. # Cagers took to the hardwood

Murry outleaps Edison guard to sink one for Gables.

The crowd was hushed. With the sound of the buzzer, the Gables five were off to another fast, hard fighting season. Overcoming a lack of height and experience, with John Murry the only returning letterman, the Coral Gables' fast-moving basketeers left in its wake many stunned hardwood powerhouses in the 1955 campaign.

From last year's "B" squad came Jack Scherer, John Smoot, Kent Williams, Brooks Henderson, Ronnie Vera, and Denny Kline. In addition there were six transfers to add to the Cav's varsity: George Cooper, forward; Alves Tregg, forward; Don Jobson, forward; Murry Elowitz, center; Bob Leidy, center, and Dick Dennis, guard. Coaches Stoeckel and Luzader mentored the team to top rank performances.

The two highest Cavalier scorers were John Murry, 6'4 senior, and Brooks Henderson, 6' junior. Following close behind was one of the more aggressive players, senior John Smoot. Kent Williams was tabbed as one of the better foul shooters, and sophomore Denny Kline became known as the best ball handler.

# *student council cabinet*

For the sake of convenience and ease in solving problems around our school, we call on the Student Council Cabinet. This group, the executive body of the Student Council, makes recommendations to the Council and guides it in all possible ways.

The members of the Student Council Cabinet include the elected officers of the Student Council, the presidents of the Junior and Senior classes, and the twelve officers appointed by the Student Council president. This year the Student Council Cabinet handled the seating of our students at assemblies, routing of the rooms during fire drills, and lettering the benches placed in front of the auditorium. They also worked toward the improvement of holding elections. The Student Council Cabinet maintain a school scrapbook in which can be found any bit of information desired that pertains to an activity of our school. Conducting the Charity Drive and arranging the "Id" pictures are other projects.

The resolutions passed by the Student Council are handled by the Cabinet efficiently and effectively. Each member has a particular job to perform; it is largely to these hard-working individuals that the Council owes its success.

We of the Junior Class began our activities for our busiest and happiest year yet, under the leadership of our capable officers: Cary Findlay, Council Kelley, Sue Leiser, and Judy Victor.

We jumped into the swim of things by selecting our Junior board and working out our finances for the year. Rhona Berube represented our class on the calendar this year and at our "King and Queen of Hearts" dance on February 12, we saw King John Brockway and Queen Bunny Cefalu crowned amidst the traditional Valentine's background. The dance was a great success and the profits we reaped helped to finance the prom which we had been thinking about and planning since we were freshmen.

Our heads were still swimming with plans when the big event arrived . . . the PROM! We could hardly believe that this day of much planning had come . . . and then gone . . .

As we close our third chapter in this volume of life at Gables, we remember the preceding years and what they brought us, and look forward to the future years for what they too will bring. Our next and last year here at Gables will, we know, be the best and we are looking forward to the heartaches and happiness that will make up this year. We know that when we graduate we will be proud to be remembered as the Class of '56.

LONGFELLOW

Today, the growth from yesterday, from Ponce to Gables Senior High,
Corridors long, patios gay, with palms and orchids growing nigh
Tomorrow, too, we say adieu, by others to be replaced,
But life, the strangest avenue, is onward. Future must be faced.

The march ahead that we must make need not be made with silent fear,
The fighting spirit does not forsake a Cavaliette or Cavalier.
Our teachers have in us instilled ambition high and sight afar,
Their faith in us must be fulfilled. We've hitched our wagon to a star.

The breathless moments we have found as Gray and Crimson crosses the line,
Or at the "prom" in evening gown, homecoming queens, in balm and pine.
The greatest thrill of life is when one walks the aisle and hears "Well done."
For high school days are over then, and life itself has just begun.

Enchanting evening, moonlit sky, when you descend on me, I pray
My memory will not deny love for the Crimson and the Gray.
I'll dream a dream, I'll sing a song of high school friends, I'll play the game,
Distinction's Band will march along, and school days will be lived again.

MISS ELIZABETH MOTT
*Senior Class Sponsor*

*"As we look back over our four years at Gables, we realize that they are and shall remain among the most memorable of our lives. From our many experiences and associations we have acquired a background that will prove invaluable in later life. From our class have come leaders, athletes, and scholars. We have been a part of the growth that has brought Gables to prominence in all fields of high school activity. We have made a record to which succeeding classes may aspire.*

*"As freshmen we heard of the marvels of Gables—the escalator to the third floor and the swimming pool under the gym. We were forced to bear the unkind remarks of the upperclassmen as they jeered about our size. It seemed as though we could never become acquainted with a school so large and strange. That year we presented the school with our first class activity, the Bunny Hop.*

*"In our sophomore and junior years we had become fully accustomed to high school life. Day by day we were playing a larger role in school affairs. Members of our class received many honors and awards and were invited into the membership of various service organizations and honor societies. We saw our classmates becoming outstanding members of our athletic teams. We can well remember the Winter Wonderland and King and Queen of Hearts dances. Our prom was a spectacle which will never be forgotten.*

*When the time came, it was hard to believe that we were at last seniors. Much responsibility was placed in our hands and we handled it well. The underclassmen looked small to even us now. We started the year off with the Charity Ball and the Gablesgrams. Shamrocks were sold, and for the first time in many years Gables had a Senior Class play. We enjoyed our senior privileges and the traditional senior affairs—Skip Day, the Dinner Dance, the Baccalaureate.*

*"And now, at Commencement, we look to the future. Whether it be in college, at work, or in the armed forces it appears bright and offers much to all of us. We wish to thank the members of the faculty for their devoted and tireless efforts in guiding us along the way. We will always be proud of the fact that we graduated from Coral Gables Senior High School.*

*Sincerely yours,*

Bob Lau

Vieve Becker, Editor

class of '55

Coral Gables Senior High is proud of its '55 graduates. Some of them have given freely of their abilities and energy to tasks in various school and community activities far above the average demands. While these efforts are rewarding to them, our school becomes the recipient of these freely offered services and is enriched thereby.

Cavaleon's editor, staff and sponsor wish to acknowledge with gratitude the committe of former Coral Gables High editors, headed by the members noted below, who have examined the records of those whose pictures are shown on the following pages and have acclaimed them to be the true leaders who have made this year another in the golden chain that makes us, truly, the School of Distinction.

PAUL CREMASCHI—*Director*

The Coral Gables Senior High School Orchestra, under the direction of Mr. Paul Cremaschi, is composed of the stringed instrument group and a selected few from the Band of Distinction.

Our orchestra, which is recognized for its fine playing, took part in many school functions during the year. During the music department's operetta production of THE FORTUNE TELLER, by Victor Herbert, the Orchestra did commendable work with their rendition of the musical scores.

The orchestra, which consists of about fifty members, also presented a concert and played at several school assemblies.

Officers are: Ann Turner, concert mistress; Diane Robinson, secretary; Pat Vann, librarian; Fred Lesser, treasurer; and Mr. Paul Cremaschi, director.

The CORAL GABLES SENIOR HIGH SCHOOL ORCHESTRA, consisting of fifty members and directed by Mr. Paul Cremaschi.

# *the auditorium — our band was tops*

Open to talented musicians of Coral Gables High School is the Band of Distinction. Directed by Mr. Edwin T. Cook, the band participates in the half-time shows of Cavalier football games and takes part in other affairs, such as parades, University of Miami homecomings, and Orange Bowl activities.

This year a great honor was bestowed upon the band. They were asked to take part in the Annual Spanish Festival, which is held in Cuba. This is quite an honor since only superior bands are asked to participate.

The instrumental department of our band sponsors the Tropical Knights, our fifteen piece dance band, which plays at our school dances. Popular music at its best is presented by this fabulous fifteen.

Officers in the band are: George Scott, captain; Bob Staver and Jim Crowder, drum majors; Moe Turrentine and Amelia Macy, first lieutenants; Mickey Freberg and Marcia Harshbarger, second lieutenants; Mary Gay Wheeler, librarian; Judy Bruner, treasurer; Anne Wilson and Pat Garrison, secretaries; Edwin T. Cook, director.

EDWIN T. COOK—*Director*

The CORAL GABLES SENIOR HIGH SCHOOL BAND OF DISTINCTION, having well over one hundred members, which marches at halftime shows for the Cavaliers. The director is Mr. Edwin T. Cook.

# *With a song in their hearts . . .*

Under the expert direction of Miss Dorothy Brindle, the boys' chorus, advanced and beginners girls' chorus, and Choraliers have enjoyed a very successful year, receiving an excellent rating in the District Contest, which is near perfection, the point for which the choruses are always striving.

The requirements for chorus members are a true ability for singing and a profound interest in music. For those who intend to make music their career Modern Music Masters, a music honorary club, offers a chance for recognition. To be a member of this club, a candidate must have been in chorus for at least one year, maintain a "B" average, and acquire 150 points by being active in chorus functions.

The chorus is another one of the fine organizations that has made Coral Gables Senior High the School of Distinction.

DOROTHY BRINDLE

The CORAL GABLES SENIOR HIGH SCHOOL MIXED CHORUS, consisting of about ninety members, which is composed of advanced chorus members.

MODERN MUSIC MASTERS, music honorary society, has twenty members. First row: Cary Findlay, Bunny Downe, Kay Gottchaldt, Tom Evans, Carol Croucher, Dave Wilcox. Second row: Anne Simpkins, Sharon Pacetti, Kathleen Beckham, Betty Jo Borroughs, Nancy Cathcart, Muriel Dickenson, Sally Hart, Sondra Neilsen. Third row: Anne Stakemiller, Betty Furches, Wright Pierson, Bob Fordyce, Geof Hill, Joanne Antes.

Stars of the musical department's operetta, THE FORTUNE TELLER, were Bunny Downe, Cary Findlay, Rosemary Laney, Wright Pierson, Susan Knight and Geof Hill.

# ...ere filled with beautiful music

Our GIRLS' CHORUS, composed of ninety girls from the sophomore and junior classes, which was rated excellent in contest competition.

BOYS' CHORUS, with fifty-five members, is the smallest choral group on campus, but an excellent rating gives proof of big things to come.

TOMORROW . . .

You'll be "on your own"—free to go, come and do as you, yourself, decide. The fine education you are now receiving at Coral Gables High School will help you make the right decisions. We know one of them will be to save some of your income regularly. For there's nothing like that "money-in-the-bank" feeling when the time comes to start a business, meet one of life's emergencies, take advantage of that opportunity which "knocks but once." When you get ready to launch your thrift program, call on us. You'll be welcome. We'll be glad to help.
